THROUGH: Chief, Pictorial Services Branch, DPSD

SUBJECT: Item from C/DPSD Daily Activities Log of  
17 April 1968

Division Chief met with SA/DSG and [ ] to frame reply to C/ISG proposal that DIA photos accompanying IR's be sent first to ISG Divisions instead of being placed in DIA photo panel, as happens presently. C/ISG also proposed other changes. It was decided that only change from present procedure which DPSD would agree to is that where ISG component and other Agency component request same photo, ISG would get preference in every instance, with stipulation that ISG would notify other Agency component of availability of photo in ISG files, pending receipt of other prints requested from DIA. ISG will be requested to review DIA photo panel weekly.
